The 5th Countrywide Camp meeting of Cambodia Adventist Mission

Around 3,000 church members and guests gathered at SALT center in Siem Reap province on February 1-3, 2018.

This being the 5th country-wide camp meeting, we think back to the 1st camp meeting in 2001, conducted by the Cambodia Adventist Mission to meet its members from across the country and to encourage Spiritual, mental, and physical growth. There were many seminars, classes, and activities during the camping that provide a great opportunity for everyone to develop and gain a closer friendships.

"Faithfulness to His Word" is the theme of this year's camp. Based on this theme materials, lessons, and sermons were designed and prepared to motivate our people to trust in God's Word in their daily life.

As planned, the event fulfilled its purpose of

spiritual and relational growth. The spiritual lessons from the pulpit and during the seminars awakened and strengthened faith, imparted hope, and led the believers to know God. There were also social activities that drew everyone closer as the family of God.

Remarkably, all the participants paid their own expense including food travel this year. This is an encouraging as we see members from across the country willing to spend their time and money for this joyful meeting.

As the camp came to a close, members approached some of our Mission's officers with the request of having the camp meeting more often. "We are willing to join even if we have to pay for everything," they said with smiling faces. In response our CAM's treasurer Mr. Kaing Seak Chhai said, "We also want to have this sort of camp more often. However, even if members pay for their expenses, the mission has many more expenses to cover. Let us keep praying, if it is God's will, we can do it!"

Radios Distribution with Spiritual Contents

One afternoon during the fifth Cambodia Adventist country-wide camp meeting in Siem Reap, 50 radios were distributed to group leaders in the rural areas of North-Eastern Cambodia.

Each radio was distributed with an 8Gb micro SD card loaded full of spiritual content such as the Bible audio, and radio programs. The media department of the Cambodia Adventist Mission worked to make these available for the people so they could have access any-time and anywhere.

Besides radios, micro SD cards also were distributed in excess for them to share with those who have portable devices to play with such as smartphones or portable speakers.

This is a supporting work in which we assist the local frontline workers with in-reach and outreach to those who are seeking the Word

of God. Kratie, Rotanakiri, Mondul-kiri, and Stoeng Treng are the North-East provinces of Cambodia which are the rural areas, among others, that we are assisting. In this way we can to empower the work of the Lord to go forward.

We are also looking forward to assisting other provinces in Cambodia with these same materials. We do our best to serve the Lord by completely surrendering ourselves to Him and praying that He will bless those who have heard His Word through the equipment we shared.

Voce of Love Radio would like to show appreciation to local pastors and church planters who are always willing to be partners with this amazing work of reaching out to people via radio. We believe many Cambodians will be blessed through your kind support.

ADRA Connections-UK team 11-25 March 2018. We are glad to welcome our Second ADRA Connections team from the United Kingdom! This team was arranged through our partner ADRA UK to support our communities here in Cambodia. The team of sixteen members arrived safely in Phnom Penh. The team visited the ADRA office in Phnom Penh to learn about ADRA's work and the activities that they would do, then visited historical sites to learn about Cambodian culture and history before they travelled up to the work site for EMBRACE project in Preah Vihear province to construct shelter, play area, latrines, water tanks, well, to conduct

ADRA UK Connections

nutrition education/demonstration and kids' clubs activities.

Disaster Response after Mondulkiri Market Fire

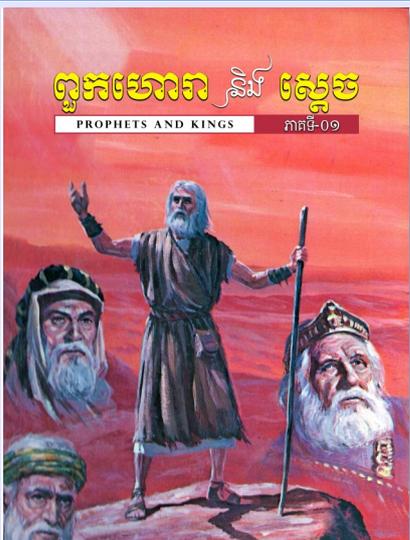

The Adventist Development and Relief Agency (ADRA) Cambodia and the Cambodia Adventist Mission (CAM), together with support from the church members and the Christensen Adventist Primary school in Mondulkiri, were able to distribute food packages to 220 families following a fire on February 10, 2018 that burned down Senmonorom Market in Mondulkiri provincial town. The fire burned 80% of the market including 223 market shop/homes, killed two people and seriously injured three more. Each family received 25 kg of rice, 53 packets of instant noodles, 10 tins of fish, 1 kg of salt, and 1 liter of cooking oil.

The fire began at 2:00 am on February 10, 2018 from an electrical short according to local authorities. Families lost their possessions and livelihoods and suffered great shock. In a daze they sought shelter with their relatives, neighbours, the pagoda and the government hall. Red Cross immediately

provided mats, blankets and some food. When ADRA and CAM met with local authorities, they said that there was an urgent need for more food. They explained that while families have at least temporary shelter, it will take some time to re-establish their livelihoods and could not yet find enough food to support their families.

ADRA worked with CAM and local church leaders, including teachers from Christiansen Adventist School to package the food kits. Working with government workers, the team distributed the food to the 220 affected families.

We would like to ask everyone to continue to pray for the affected families as they are seeking to restore their livelihoods and homes and especially those who are mourning for the loss of their loved ones. Thank you for all your prayers and support!

distributing materials to the hands of the need of the knowledge about the Kingdom of God. The book of *Prophets and Kings* comes from the gifted pen of Ellen G. White which will be split into four books which will be used for 2018 and the first quarter of 2019.

The Story of *Prophets and Kings* is about the sacred history of Israelites which we can learn as great lesson in life. The mission has it translated, printed, and make it available to the members and quest across Cambodia as a devotional book for worship groups, family, and even individual. This book full with its rich lessons of faith in God and His Son, the Saviour of the world, and the stories of His providence in the lives of great men and women of Old Testament times may deepen the religious experience and enlighten the minds of all who read its pages.

Devotional

To continue nurturing to its members, the Cambodia Adventist Mission had been focusing on producing, translating, and

We as the Mission would like to invite everyone including members and quests to spend quality time each day to read about this book as a guide to give you more understanding about the Bible. We pray and believe that the hope, faith, and encourage will be found and granted unto those who really seek the Lord with all your heart. Jeremiah 29:13 “You will seek me and find me when you search for me with all your heart.”

1st QTR Baptism of 2018

There are 24 people baptized as a result of being committed and faithful servants of the Lord for the first quarter of 2018. Baptism is always a moment of overwhelming with joy for everyone including the candidates, relative, and church as a whole.

However, what happened behind the scene that laid unseen and mostly not being noticed. These new borne family members are those who have been well mingled with by our local church planters and pastors. They all have been faithfully serving the Lord in their respected territory across the country.

We have noticed that this result can be happened as we work together as a team. Especially, a team that willing to be led by the Holy Spirit of the Most High God.

From the Cambodia Adventist Mission, we would like to thank and highly appreciated for your commitment at the front filed in working so hard to bring people to the Lord. Through house to house visitation, friendship evangelism, giving Bible study on a regular basis, and small

group evangelism can be resulted in great joy.

Yes, absolutely it is a joy, but it is not yet finished. A caring step need to be happened in order to help new members to grow in the new walk in Christian's life.

As pastors, leaders, elders, or even church members have a responsibility to take care of the new members to grow and to become a strong ones who can be also a disciple of Jesus Christ in the future.

This is one among other important part of our responsibility as Christian. "God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them." Hebrews 6:10

The sweetest type of heaven is a home where the Spirit of the Lord presides. If the will of God is fulfilled, the husband and wife will respect each other and cultivate love and confidence.

Importance of the Home Atmosphere—The atmosphere surrounding the souls of fathers and mothers fills the whole house, and is felt in every department of the home.

To a large extent parents create the atmosphere of the home circle, and when there is disagreement between father and mother, the children partake of the same spirit. Make your home atmosphere fragrant with tender thoughtfulness. If you have become estranged and have failed to be Bible Christians, be converted; for the character you bear in probationary time will be the character you will have at the coming of Christ.

Atmosphere of the Home

If you would be a saint in heaven, you must first be a saint on earth. The traits of character you cherish in life will not be changed by death or by the resurrection. You will come up from the grave with the same disposition you manifested in your home and in society. Jesus does not change the character at His coming. The work of transformation must be done now. Our daily lives are determining our destiny.
